(3) Despite subsection (2), with respect to the portion of the person's deferred pension that is based on pensionable service accrued before the 1st day of January, 1987, the person may elect to receive 75 per cent of its commuted value in the form of a deferred pension and 25 per cent in the form of a lump sum payment. O. Reg. 753/91, s. 19.

20.—(1) This section applies if the pension otherwise payable under the pension plan to a former member at the normal retirement date is 2 per cent or less of the Year's Maximum Pensionable Earnings in the year in which the person becomes a former member.

(2) The former member is entitled to be paid the commuted value of his or her benefits under the pension plan in lieu of receiving those benefits. O. Reg. 753/91, s. 20.

PART IV
PENSIONS

RETIREMENT

21. A person's normal retirement date is the first day of the month following the month in which the person reaches sixty-five years of age. O. Reg. 753/91, s. 21.

ENTITLEMENT TO A NORMAL RETIREMENT PENSION

22.—(1) A normal retirement pension begins on the person's normal retirement date.

(2) A person who remains an employee of the Board after the normal retirement date is not entitled to receive a retirement pension under the pension plan until the earlier of,

(a) the first day of the month following the date on which the person terminates employment with the Board; or

(b) the first day of the month following the date on which the person reaches seventy-one years of age. O. Reg. 753/91, s. 22.

23.—(1) A person is not entitled to receive more than one retirement pension under the pension plan in respect of the same period of pensionable service.

(2) A person receiving a disability pension under the pension plan is not eligible to receive a retirement pension. O. Reg. 753/91, s. 23.

24.—(1) A former member receiving a pension under the pension plan who becomes re-employed by the Board is not entitled to receive a retirement pension during the period he or she is so employed.

(2) If the re-employed pensioner receives a payment under the pension plan while he or she is employed by the Board, he or she is not entitled to further payments under the pension plan until the amount received is repaid, with interest, to the pension fund. O. Reg. 753/91, s. 24.

AMOUNT OF THE NORMAL RETIREMENT PENSION

25.—(1) The amount of a person's normal retirement pension is determined in accordance with this section.

(2) A normal retirement pension is payable in equal monthly instalments for the remainder of the life of the person entitled to receive it.

(3) The amount of a person's annual pension is calculated using the formula,

$$(A + B) - C$$

in which,

"A" equals 2 per cent of the person's average annual earnings during the average of the thirty-six consecutive highest paid months in his or her last 120 months of pensionable service under the pension plan, multiplied by the number of full years and any fraction of a year of pensionable service to the 31st day of December, 1965;

"B" equals 2 per cent of the person's average annual earnings during the average of the sixty consecutive highest paid months in his or her last 120 months of pensionable service under the pension plan, multiplied by the number of full years and any fraction of a year of pensionable service as computed from the 1st day of January, 1966 or such later date on which the person became a member of the pension plan to the date the person terminated his or her membership; and

"C" equals 0.7 per cent of the average of the annual earnings during the sixty consecutive highest paid months in the person's last 120 months of pensionable service, multiplied by the number of full years and any fraction of a year in pensionable service under the pension plan from the 1st day of January, 1966, but not exceeding thirty-five years of pensionable service, to be calculated on the basis of the lesser of the person's earnings or the Year's Maximum Pensionable Earnings in each year in the averaging period.

(4) Despite subsection (3), if the commuted value of the portion of the person's pension with respect to his or her pensionable service before the 1st day of January, 1987 is less than the sum of his or her contributions made before that date, with interest up to the date of retirement, the person's pension is increased to the extent necessary to render the commuted value of that portion of the pension equal to the sum of those contributions with interest.

(5) Despite subsection (3), the person's initial pension at retirement is reduced, if necessary, so that it does not exceed the lesser of,

(a) 2 per cent of the person's indexed final average salary as determined under subsection (6); or

(b) $1,722.22, adjusted by the ratio described in subsection (7) and multiplied by the person's years of pensionable service, excluding service before the 1st day of January, 1991 in excess of thirty-five years.

(6) The person's indexed final average salary is the average of the person's salary, while he or she was a member of the pension plan, for the three highest non-overlapping periods of twelve consecutive months, multiplied in each case by the ratio of the average industrial wage in 1986 or, if later, the year in which the majority of the person's salary was earned.

(7) The ratio referred to in clause (5) (b) is,

(a) 1.0, if the year in which the pension begins is 1994 or earlier; and

(b) the ratio of the average industrial wage for the year in which the pension begins to the average industrial wage for 1994, if the pension begins in 1995 or later.

(8) The average industrial wage for a year is as published by Statistics Canada.

(9) If a person has accumulated less than sixty months of pensionable service under the plan, the total number of months are used to determine the person's average annual earnings. O. Reg. 753/91, s. 25.

ENTITLEMENT TO AN EARLY RETIREMENT PENSION

26.—(1) A person who is at least fifty-five years of age and who is entitled to a deferred pension under the pension plan may elect to receive an early retirement pension.

(2) A person whose age, when added to the number of years of his or her continuous membership in the pension plan, totals at least ninety may elect to receive an early retirement pension.

(3) A person who is at least sixty years of age and who has been a member of the pension plan for at least twenty years may elect to receive an early retirement pension.

(4) If a person elects to receive an early retirement pension under subsection (2) or (3), the date on which the person begins to receive the pension is considered to be the person's date of retirement.

(5) A person who elects to receive an early retirement pension under subsection (2) or (3) cannot revoke the election. O. Reg. 753/91, s. 26.

27. The person may elect to begin receiving an early retirement pension on the first day of any month that falls before his or her normal retirement date. O. Reg. 753/91, s. 27.

AMOUNT OF AN EARLY RETIREMENT PENSION

28.—(1) The amount of an early retirement pension under subsection 26 (1) (age 55 with right to deferred pension) is determined in accordance with this section.

(2) The amount of the pension is actuarially reduced, in accordance with the person's age at the date the pension begins to be paid, such that its commuted value is equal to the commuted value of the person's normal retirement pension, based upon the person's pensionable service up to the date of retirement.

(3) Despite subsection (2), if the person has at least ten years of continuous membership in the pension plan at the date of retirement, the actuarial reduction in the person's pension must not be more than 5 per cent of the normal retirement pension multiplied by the number of full years and any fraction of a year from the person's date of retirement to the normal retirement date for the person. O. Reg. 753/91, s. 28.

29.—(1) The amount of an early retirement pension under subsection 26 (2) (age plus years of membership equals ninety) or subsection 26 (3) (60 years old with twenty years' membership) is determined in accordance with this section.

(2) The amount of the pension is calculated in the same manner as a normal retirement pension under section 25. However, "C" in the formula does not apply until the person's normal retirement date. O. Reg. 753/91, s. 29.

DISABILITY PENSIONS

30.—(1) A person may elect to receive a disability pension if he or she,

(a) is suffering from a physical or mental impairment which prevents him or her from engaging in employment for which the person is reasonably suited by reason of education, training or experience and which can reasonably be expected to last for the remainder of his or her lifetime;

(b) has been a member of the pension plan for at least ten continuous years; and

(c) is not receiving benefits for a disability under the Board's long-term disability plan.

(2) Despite subsection (1), the person is not entitled to receive a disability retirement pension unless a medical practitioner licensed to practise medicine in Ontario has certified that the person has such a disability.

(3) The amount of the disability pension is the amount of the person's normal retirement pension, at the date on which the person became disabled, excluding any actuarial discounts otherwise applicable in calculating the amount of the normal retirement pension.

(4) For the purposes of Part VII, a person receiving a disability pension is considered to be receiving a retirement pension under the pension plan. O. Reg. 753/91, s. 30.

PART V
PRE-RETIREMENT DEATH BENEFITS

31. If a member dies before completing twenty-four months of continuous membership in the pension plan, a lump sum equal to the member's contributions to the pension fund, with interest, is payable to the beneficiary designated by the member or, in the absence of a designation, to the member's estate. O. Reg. 753/91, s. 31.

32.—(1) This section applies if a person who has completed twenty-four months of continuous membership in the pension plan dies before beginning to receive a retirement pension and,

(a) the person has no surviving spouse;

(b) the person is living separate and apart from his or her spouse on the date of death; or

(c) to the person's estate.

(3) The spouse entitled to a death benefit under clause (2) (a) may elect to receive it in the form of a lump sum or an immediate or deferred pension, the commuted value of which is equal to the commuted value of the death benefit.

(4) The death benefit under clause (2) (b) or (c) is payable in the form of a lump sum.

(5) The commuted value of the death benefit equals the sum of,

(a) the person's contributions under the pension plan made before the 1st day of January, 1987, with interest; and

(b) the greater of,

(i) the person's contributions made after the 31st day of December, 1986, with interest, or

(ii) the sum of,

(A) the commuted value of a deferred pension calculated in accordance with section 25 but based solely on the person's pensionable service after the 31st day of December, 1986, and

(B) the excess, if any, of 50 per cent of the amount described in subclause (b) (i) over the amount described in sub-subclause (b) (ii) (A). O. Reg. 753/91, s. 32.

33.—(1) This section applies if a person who has completed twenty-four months of continuous membership in the pension plan dies before beginning to receive a retirement pension and,

(a) has completed at least ten years of pensionable service;

(b) leaves a surviving spouse; and

(c) was not living separate and apart from the surviving spouse on the date of death.

(2) The surviving spouse is entitled to receive a death benefit, the commuted value of which is the greater of the amount described in subsection (3) or (4).

(3) The first amount is the sum of,

(a) the person's contributions under the pension plan made before the 1st day of January, 1987, with interest, and

(b) the greater of,

(i) the person's contributions made after the 31st day of December, 1986, with interest, or

(ii) the sum of,

(4) For the purposes of this section, the minimum value of a member's pension earned to the date of the member's death is the sum of,

O. Reg. 775/91, s. 13.

14. The Regulation is further amended by adding the following sections:

14a.—(1) A pension is payable under this section on the death of a member after the commencement of his or her pension,

(2) The annual amount of pension payable to a widow or widower is,

(a) 60 per cent of the annual amount of the pension the member was receiving immediately before death occurred, but in the case of a member who retired before the 1st day of January, 1978 on an early retirement pension and who died on or after that day, increased to the amount it would have been if it had not been reduced for early retirement; and

(b) in respect of each dependent child of the member during his or her dependent child benefit period, one-sixth of the pension payable,

up to a maximum of 75 per cent of the pension the member was receiving immediately before death occurred, with appropriate modifications for a member who retired before the 1st day of January, 1978 on an early retirement pension.

(3) The annual amount of pension payable to a dependent child is,

(a) 60 per cent of the annual amount of the pension the member was receiving immediately before death occurred, but in the case of a member who retired before the 1st day of January, 1978 on an early retirement pension and who died on or after that day, increased to the amount it would have been if it had not been reduced for early retirement; or

(b) if the widow or widower was receiving a pension immediately before her or his death, the pension the widow or widower was receiving excluding any adjustment in respect of a dependent child of the member,

divided by the number of dependent children of the member who continue in their dependent child benefit periods.

(4) Every calculation of a member's pension under this section shall be on the basis that the member was entitled to a pension under the Canada Pension Plan at the time of the member's death.

(5) If, under this section, no pension is payable to a widow, widower or child of a deceased member, the member's designated beneficiary, or estate if there is no designated beneficiary, is entitled to a refund of the contributions to the credit of the member, plus interest to the date of the member's retirement, less the amount of any benefits that have been paid to or in respect of the member.

(6) Subsection (1) applies in respect of member marriages which occurred before the date this section came into force, upon application to the Board by any eligible widow or widower.

(7) The pension payable to an eligible widow or widower shall be calculated as if subsection (1) had been in effect on the date of death of the former member to whom the eligible widow or widower was married.

(8) Despite subsection (6) or (7), the pension payable to an eligible widow or widower shall be reduced by an amount equal to any other benefit paid to that person under this Regulation in respect of the former member to whom that person was married.

(9) If a pension became payable under this section to a former spouse or a child of a former member before this section came into force, the spouse or child shall, if otherwise entitled to receive the pension, continue to be so entitled even though the widow or widower has commenced receiving a pension under subsection (6). O. Reg. 775/91, s. 14, *part*.

14b.—(1) A pension payable to a person under section 14 or 14a is payable monthly beginning the first day of the month following the month in which the person becomes entitled to the pension and is payable,

(a) to a widow or widower until her or his death; or

(b) to a dependent child until the earlier of the child's death and the end of the child's dependent child benefit period.

(2) A child of a deceased member who is determined by the executive-director, on the advice of a legally qualified medical practitioner appointed by the Board, to be totally disabled before the age of twenty-one years shall be deemed for the purposes of this section to be under the age of nineteen years during the continuation of total disability.

(3) In subsection (2), "totally disabled" means that the child is afflicted by mental or physical infirmity that has rendered the child incapable of supporting himself or herself and "total disability" has a corresponding meaning, but total disability shall be considered not to exist,

(a) during any period in which the child engages in any occupation for compensation or profit other than an occupation associated with a rehabilitation or workshop program approved by the executive-director; or

(b) where the disability results from wilfully self-inflicted injury or the commission or attempted commission by the child of an indictable offence under the *Criminal Code* (Canada) or the engagement by the child in an unlawful occupation.

(4) Despite clause 14 (2) (a) or 14a (2) (a), if at the time of the member's death the widow or widower of the member does not have custody, care and control of any surviving child of the deceased member, the increase in pension payable to the widow or widower in respect of children of the member as provided in clause 14 (2) (a) or 14a (2) (a) shall be paid to the person or agency who most recently had custody, care and control.

(5) For the purposes of sections 14 and 14a, if a pension or other benefit is payable to a child of a deceased member under the age of eighteen years or a disabled child referred to in subsection (2), payment may be made to the person or agency having custody, care and control of the child, or, if there is no such person or agency, to the person or agency named by the executive-director.

(6) The surviving parent of a child shall, in the absence of evidence to the contrary, be deemed to be the person having custody, care and control, except where the child is living apart from the parent.

(7) If a widow, widower, child or beneficiary of a deceased member cannot be found, and the executive-director is satisfied that reasonable efforts have been made to find them and at least one year has passed since the member's death, the Board may, despite any other provision of this Regulation, direct that any benefit that would be payable under this Regulation if the widow, widower, child or beneficiary had predeceased the member be paid to the person who would be entitled to receive the benefit in those circumstances, on such conditions as the Board directs.

(8) If a widow, widower, child or beneficiary referred to in subsection (7) is subsequently found and a claim is made for any benefit payable under this Regulation, the Board may direct that the benefit, reduced by the amount actually paid under subsection (7), be paid to the widow, widower, child or beneficiary, as the case may be.

(9) The executive-director may direct that a benefit be paid in accordance with this Regulation as if the widow or widower or the member's beneficiary, as the case may be, had predeceased the member if a benefit would otherwise have been payable under section 14 or 14a to the widow or widower of a deceased member but the executive-director is satisfied,

(a) that the person is not entitled to receive the benefit by virtue of a judicial decree or a separation agreement or other contractual arrangement between the person and the member that has been received by the executive-director before any payment of the benefit is made to the person; or

(b) that the person, or, where applicable, the member's beneficiary, has refused to accept the benefit.

(10) If the benefit referred to in subsection (9) is a pension and the executive-director is satisfied that the person is not entitled to receive the pension by virtue of a judicial decree, separation agreement or other contractual arrangement that is received by the executive-director after payment of the pension is commenced, the executive-director may direct that, thereafter, the pension or any other benefit be paid in accordance with this Regulation as if the person had died on the date the judicial decree, separation agreement or other contractual arrangement was received.

(11) Upon the application of any widow or widower whose pension under section 14 or 14a ceased by reason of his or her remarriage before the 29th day of September, 1981, the Board shall recommence the pension as of the 1st day of July, 1984.

(12) The pension referred to in subsection (11) shall be recommenced in a monthly amount equal to the amount that would have been paid to the widow or widower on the 1st day of July, 1984 as if the pension had not been terminated.

(13) If a pension became payable under section 14 or 14a to the child of a former member upon the remarriage of the widow or widower of the former member before the 29th day of September, 1981, the child shall, if otherwise entitled to receive the pension, continue to be so entitled despite the recommencement of the pension to the widow or widower under subsection (12).

(14) Any person receiving or entitled to receive a pension under section 14 or 14a on the 1st day of January, 1988 shall have his or her pension recalculated as if this Regulation, as it read on the 1st day of January, 1988, had been in effect on the date of death of the former member whose pension or pension entitlement was the basis of calculation of the pension or pension entitlement of the person, but the recalculated pension shall be payable only from and after the 1st day of January, 1988. O. Reg. 775/91, s. 14, *part*.

NOTICE RE: POLICY STATEMENTS

Board Policy Statements have been revised and are published hereunder. All previously issued Policy Statements **Nos. 0001/78-09-29 to 039/89-03-01** are hereby revoked.

Felix D'Mello
Board Secretary

P.S. 001/92-02-01

POLICY STATEMENT

SUBJECT: Admissibility as Evidence of Photocopies and Microfilm Prints.

OBJECTIVE: To formulate policy with respect to evidentiary matters

COMMENT: The Board recognizes that, insofar as business records are concerned, there is extensive use being made of photocopies and microfilm of such records.

POLICY The Board will accept photocopies and microfilm prints of business records in lieu of the originals when filed as evidence.

However, the Board must be satisfied as to their authenticity in accordance with Section 15(4) of *The Statutory Powers Procedure Act* of Ontario and will continue to require that parties prove to its satisfaction that copies are, in fact, true copies of the originals.

EFFECTIVE DATE: February 1st, 1992.

P.S. 002/92-02-01

POLICY STATEMENT

SUBJECT: Recording of Proceedings.

OBJECTIVE: To outline existing Board policy with respect to recordings and transcripts.

POLICY:

(i) The Board has adopted the policy of recording all proceedings. Duplicates of tapes recorded during any proceeding are available to the public at a cost of $20.00 per tape. This fee is designed to recover the Board's cost of preparing a duplicate.

(ii) Typed transcripts of proceedings are not generally available but may be ordered by the Board at its discretion.

Any person interested in obtaining duplicate tapes are asked to request same from the Secretary of the Board in writing.

The Board believes that these services are in the interest of the public and will benefit the administration of transportation regulation.

EFFECTIVE DATE: February 1st, 1992.

P.S. 003/92-02-01

POLICY STATEMENT

SUBJECT: Temporary Authority Pending Approval of Transfer.

POLICY: Applications for approval of transfer of an operating licence, including a transfer deemed to occur upon the issue or transfer of shares in a corporation which is the holder of an operating licence, are considered by the Board as expeditiously as possible.

The Board will *not* issue a temporary authority to a transferee to permit operation of the business prior to the approval of the transfer, except in unusual circumstances.

EFFECTIVE DATE: February 1st, 1992.

P.S. 004/92-02-01

POLICY STATEMENT

SUBJECT: Cancellation of Temporary Authority upon Adjournment of Hearing.

POLICY: In the case of an opposed application, a request by an applicant for an adjournment of the hearing and a continuation of the temporary operating licence throughout the period of the adjournment, must be made in writing and upon notice to all other parties. Such a request will be heard on a date to be determined by the Board and the cancellation of the temporary operating licence will be considered at that time.

EFFECTIVE DATE: February 1st, 1992.

P.S. 005/92-02-01

POLICY STATEMENT

SUBJECT: Use of Section 8 Proceedings.

OBJECTIVE: To reduce the number of public hearings and to improve the Board's scheduling process.

COMMENT: Section 8 of Regulation 716 under the *Ontario Highway Transport Board Act* provides that the Board may dispose of an application without a public hearing. Notice under Section 8 is published in the Ontario Gazette without fixing a date for a hearing. When no objection is served and filed within 29 days of such publication, the Board may dispose of the matter summarily in Chambers.

POLICY: The Board will publish Notice of all applications pursuant to the provisions of Section 8, unless an applicant specifically requests that the time, date and place of the hearing be fixed prior to publication. In such instances, the Board will continue to publish Notice pursuant to the provisions of Section 3 of the Regulation.

Notice will not be published until the Board is satisfied that the terms of the application are clear and in acceptable form and that all appropriate documentation has been filed.

EFFECTIVE DATE: February 1st, 1992.

P.S. 006/92-02-01

POLICY STATEMENT

SUBJECT: Distribution of Notices of Decision Following a Hearing.

OBJECTIVE: To set out the Board's procedure with respect to the dissemination of hearing results.

POLICY: The Board will send, by first class mail, to all parties to the proceeding, at the most recent address on file with the Board, any decision of the Board after a hearing involving those parties and any reasons for that decision.

Where a respondent is represented by counsel of record in any proceeding, the Board will send the notice of decision and reasons to the solicitor. The applicant will always be sent a copy directly, in addition to a copy sent to his solicitor.

Copies of all decisions with respect to public vehicles, including school bus, are provided to the Ontario Motor Coach Association.

EFFECTIVE DATE: February 1st, 1992.

P.S. 007/92-02-01

POLICY STATEMENT

SUBJECT: The Filing of Notices of Objection under Regulation 716 of the *Ontario Highway Transport Board Act*.

OBJECTIVE: This Statement is issued to clarify Board procedures.

POLICY: It is the Board's practice (refer to Policy Statement No. 005/92-02-01) to publish applications pursuant to Section 8 of Regulation 716. This section permits the Board to publish notice of an application in the Ontario Gazette without fixing a day for the hearing and, if no objections are filed within 29 days of publication, to dispose of the application summarily, i.e. without a hearing. If an objection is filed within the prescribed 29 days, the Board fixes a date for hearing and the hearing proceeds in the same manner as if Section 8 had not been used.

Where an objection has been filed within the 29 day period, further Notices of Objection may be filed at least 15 days before the hearing date pursuant to Section 5 of the Regulation without Notice of Motion with respect to the time interval.

It is to be noted that a Notice of Motion will be required where an abridgement of the prescribed 15 day period is requested.

EFFECTIVE DATE: February 1st, 1992.

P.S. 008/92-02-01

POLICY STATEMENT

SUBJECT: Change of Name of Licence Holders or Named Customers on Public Vehicle Operating Licences.

OBJECTIVE: To clarify Board policy.

POLICY:

1. *Change of Name of Licence Holder*:

   Where only the change of name of a licence holder is involved, the Board requires a letter advising of the change of name along with a copy of the Certificate of Amendment to the Articles of Incorporation or an equivalent official document. On receipt of proper documentation the Board will revise its records and advise the Ministry of Transportation accordingly.

   A change of name of a carrier resulting from a merger or amalgamation will be dealt with in the same manner, except that the Board will also require a copy of the relevant Agreement along with a copy of the official Certificate of Amendment to the Articles of Incorporation.

2. *Change of Name of Customer – Amalgamation*:

   A procedure, similar to Section 1 above will be followed where the name of a customer designated in a licence is changed as a result of a corporate name change or amalgamation.

3. *Change of Name of Customer - Acquisition*:

   Where a customer sells his business to another company a formal application to the Board for amendment of the licence is required.

   Mergers or amalgamations of licence holders or customers regardless of whether or

not they involve changes of name should be reported to the Board.

EFFECTIVE DATE: February 1st, 1992.

P.S. 009/92-02-01

POLICY STATEMENT

OBJECTIVE: To clarify Board policy in respect to the issuance of a summons under Section 12 of *The Statutory Powers Procedure Act*.

POLICY: A request for a summons should set out:

(a) the name and address of the person making the request;

(b) the proceeding for which the summons is requested;

(c) the name and address of the person to be served with the summons, their connection with the proceeding and the reason why the subpoena is required; and

(d) a list of the records, books or documents to be produced by the person to be served and the Statute under which the hearing is proceeding, i.e., *The Public Vehicles Act*, The Ontario Highway Transport Board Act, The Truck Transportation Act, 1988 or *The Motor Vehicle Transport Act, 1987*.

The request should be:

(1) accompanied by Board fee of $25.00 payable to "The Treasurer of Ontario/ O.H.T.B."; and

(2) received by the Board at least 24 hours prior to the time at which it is required.

A summons must be served personally on the person summoned who shall be paid fees for his attendance similar to those paid a witness summoned to attend before the Supreme Court [Section 12 (2) of *The Statutory Powers Procedure Act*].

EFFECTIVE DATE: February 1st, 1992.

P.S. 010/92-02-01

POLICY STATEMENT

SUBJECT: Procedures for Issuing Non-Permanent Authorities Pursuant to *The Public Vehicles Act* and *The Motor Vehicle Transport Act, 1987*.

OBJECTIVE: To provide an efficient, equitable and flexible system for considering applications for special and temporary authorities.

COMMENT: The Board issues three (3) types of non-permanent operating authority as follows:

1. *Special Authority* is granted for a maximum period of seven (7) consecutive days. It is normally applied for by fax but the Board may act upon any written request. The Minister has delegated to certain members of the Board his power to issue such an authority under Section 5(6) of *The Public Vehicles Act*.

2. *Temporary Authority – Specified Term* is applied for on the standard application form. It expires at the end of a specified term or upon a specified day. It contains language providing for its earlier cancellation upon determination by the Board that an existing licensed carrier is in a position to provide the service or that the service is no longer required.

3. *Temporary Authority – Pending Permanent Decision* is also applied for on the standard application form filed concurrently with an application for permanent authority. This authority terminates when a decision is rendered on the application for permanent authority. It may also be cancelled upon determination by the Board that an existing licensed carrier is in a position to provide the service or that the service is no longer required.

POLICY: The Board will issue a non-permanent operating authority if it is satisfied that it has received a request to meet an urgent need to provide a service that no currently licensed carrier is able to provide. When an application for public vehicle (school bus) authority is considered, the Board accepts the existence of a contract with a school authority as prima facie evidence of public necessity and convenience.

Special Authority

These applications are normally applied for and issued or denied by fax, although they may be requested and the decision may be issued in any written form. Such applications are considered in Chambers without public notice. Copies of decisions are available at the Board's Office at 151 Bloor Street West, Toronto.

These authorities usually involve specific moves and are issued for a maximum period of seven (7) consecutive days but may be renewed to allow additional time for the filing and disposition of an application for temporary authority.

To be eligible for a special authority the legislation requires that the applicant be the holder of a current operating licence.

Temporary Authority

Applications for temporary authority are normally considered in Chambers. They are made on the standard application form and must be identified as a temporary application. A copy is posted for seven days on the Board's Bulletin Board and a copy is faxed to the Ontario Motor Coach Association.

Such applications must be accompanied by the usual filing fee and by affidavits as follows:

1. Customer affidavit(s) should outline:

(a) the reason for the urgency;

(b) the service they require the applicant to perform;

(c) the steps taken by the customer to ascertain what authorized carriers, if any, are available to perform the service;

(d) the rate to be paid.

2. The affidavit of the applicant should include the following:

(a) is there any currently licensed carrier available and capable of providing the service you are applying for?

(b) has this carrier, if any, been requested to provide the service covered in your application?

(c) if not requested, why?

(d) if requested, on what basis?

The Board may:

(a) deny the application;

(b) issue a certificate; or

(c) request further information.

Opposition should be filed with respect to such an application within seven (7) days of its posting and should indicate that an offer to provide the required service has been made to the customer. The opposition and notice may be in the form of a fax or written advice to the Board and a copy must be sent in a similar manner to the applicant.

If no opposition is filed within the seven (7) day period the Board may proceed to issue or deny the application in Chambers.

Opposition to an application filed with the Board, after a certificate has been granted, may be heard by the Board as soon as reasonably possible at a time and place to be set by the Board. Notice of the hearing will be given to the applicant and the respondents by fax and posted on the Board's Bulletin Board. The Ontario Motor Coach Association will also be notified of the hearing.

EFFECTIVE DATE: February 1st, 1992.

P.S. 011/92-02-01

POLICY STATEMENT

SUBJECT: Adjournments

OBJECTIVE: To establish a policy on requests for adjournments.

COMMENT: Adjournments which are requested at the last minute result in inefficient use of the Board's time and facilities. Respondents and counsel may also be inconvenienced when inadequate notice of adjournment is provided. These consequences are particularly disruptive when the hearing has been scheduled at a location other than the Board's Chambers.

POLICY: Adjournments requested by the applicant shall be granted for reasonable cause only, e.g., illness or other unforeseeable events.

Requests for adjournments shall be submitted in writing to the Secretary of the Board not later than:

(a) three (3) business days prior to the date of any hearing to be held at the Board's Chambers, 151 Bloor Street West; or

(b) seven (7) business days prior to the date of a hearing to be held at a place other than the Board's Chambers.

Upon the granting of an adjournment the applicant will be required to immediately advise all respondents. Costs may be assessed against the applicant if respondents are not advised in time to obviate their appearance.

Requests for adjournment by respondents will be granted only in unavoidable circumstances or with the consent of the applicant.

Costs may be assessed for each adjournment at the sole discretion of the Board.

EFFECTIVE DATE: February 1st, 1992.

P.S. 012/92-02-01

POLICY STATEMENT

SUBJECT: Applications for Transfer of Part of an Operating Licence (''Split and Transfer'')

OBJECTIVE: To outline Board policy with respect to transfer of part of an operating licence.

POLICY: Applications for transfer of part of an operating licence (commonly referred to as ''splitting'') will not be advertised in the Ontario Gazette pursuant to Section 8 of Regulation 716 under the *Ontario Highway Transport Board Act*.

All such applications will be advertised in the Ontario Gazette pursuant to Section 3 of Regulation 716 under the *Ontario Highway Transport Board Act*. As a result all applications for transfer of part of an operating licence will be scheduled for a public hearing without reference to Section 8 of Regulation 716.

Note that a Notice of Motion will be required where an abridgement of the prescribed 15-day period (set forth in Section 5 of Regulation 716) is required.

EFFECTIVE DATE: February 1st, 1992.

P.S. 013/92-02-01

POLICY STATEMENT

SUBJECT: Applications for Temporary and Permanent Operating Licences by First-Time Applicants.

OBJECTIVE: To improve the quality of transportation by ensuring new carriers are well qualified.

POLICY: Each application by a first-time applicant for a temporary or permanent operating licence which is unopposed and which the Board chooses to dispose of summarily, either under the provisions of Section 8 of Regulation 716 under the *Ontario Highway Transport Board*

Act, R.S.O. 1980 or because of a demonstrated urgent need warranting additional service on a temporary basis, shall require:

(1) filing by the applicant of all necessary affidavits and documentation as required by Policy Statement No. P.S. 010/92-02-01 and, in addition, the following information:

(a) equipment list, by year, make and serial number, indicating which are beneficially owned and which are leased;

(b) number and location of terminals (if any);

(c) current financial statement, preferably audited;

(d) accident record;

(e) insurance losses in the past year;

(f) outstanding insurance claims;

(g) full particulars of insurance coverage and premium rate;

(h) a description of the service to be offered (should include any special or unique features) and the rates to be charged;

(i) reasons for seeking this authority

(2) Any applicant who has not held a permanent operating authority for at least one year in a recognized jurisdiction to appear at a hearing set by the Board.

EFFECTIVE DATE: February 1st, 1992.

P.S. 014/92-02-01

POLICY STATEMENT

SUBJECT: Tariff Approval for New Public Vehicle Services.

OBJECTIVE: To clarify Board procedure with respect to filing of Tariff of Tolls.

POLICY: When a carrier submits an application to the Ontario Highway Transport Board seeking authority to operate a new regular route or new charter service, a proposed tariff of tolls must be filed for that service. This requirement will not apply to Public Vehicle (School Bus) applications.

A new service is defined as any service not previously provided by an operator.

The above requirement also applies to applications for temporary authority - but not to applications for "special" authority.

The proposed tariff of tolls shall be published in the Ontario Gazette along with the terms of the application. Where no opposition has been filed against that application or its proposed tariff of tolls, the Board shall, after determining whether public necessity and convenience will be served, prepare a Report to the Minister regarding the fairness and reasonableness of the proposed tariff.

Where opposition is filed against the application or against both the application and the proposed tariff of tolls, the Board shall hold a public hearing as required by the *Ontario Highway Transport Board Act*. In addition to determining whether public necessity and convenience will be served and a certificate should be issued, the proposed tariff of tolls shall be reviewed for fairness and reasonableness and a Report to the Minister outlining the Board's findings shall be prepared.

Where opposition is filed against the proposed tariff of tolls only, the Board shall first determine in Chambers whether public necessity and convenience would be best served by granting the authority applied for. If a certificate is to be issued, then the Board shall hold a hearing in which the fairness and reasonableness of the proposed tariff of tolls may be assessed. Upon the issue of a certificate, the Board shall Report to the Minister its findings relative to the proposed tariff of tolls.

Where a proposed permanent tariff of tolls will replace a temporary tariff of tolls, the Board shall, in its Report to the Minister on the permanent tariff of tolls, outline the details of any differences from its findings presented in its Report on the temporary tariff of tolls.

EFFECTIVE DATE: February 1st, 1992.

P.S. 015/92-02-01

POLICY STATEMENT

SUBJECT: Applications under the *Motor Vehicle Transport Act, 1987*.

COMMENT: The *Truck Transportation Act, 1988* ("TTA") came into force on January 30, 1989. Based on an opinion from the office of the Attorney General for Ontario, the responsibilities of the Ontario Highway Transport Board (OHTB) under Parts II and III of the *Motor Vehicle Transport Act, 1987* are affected by the terms of the TTA and will depend on the functional requirements under the federal Act. Procedures and Board responsibilities under Part I of the MVTA remain unchanged.

POLICY: The following procedures reflect our understanding of the responsibilities of the OHTB:

Part I MVTA –

(a) applications are made to the OHTB as the provincial transport board;

(b) applications will be dealt with on the "like terms and conditions and in the like manner" as determined by the *Public Vehicles Act* unless superseded by terms of the federal Act;

(c) the OHTB will be responsible for gazetting the applications;

(d) the licence document will be issued by the Ministry of Transportation (Ministry) over the signature of the OHTB Chairman.

Part II MVTA –

(a) the Board's responsibility with respect to the public interest test will commence with the filing of a Notice of Objection, which for administrative purposes shall be filed with the Ministry;

(b) after an objection is filed, evidence shall be provided to the OHTB pursuant to subsection 8(3) of the MVTA, the OHTB will decide on the need for a hearing;

(c) where required, the OHTB will hold a hearing to determine if the licence sought would likely be detrimental to the public interest;

(d) where no hearing is required or where a licence is to be issued following a hearing, the licence document will be issued by Ministry personnel over the signatures of both the Chairman of the OHTB and the Registrar.

Part III MVTA –

(a) the OHTB will commence its jurisdiction upon being advised by the Registrar that a request to hold a hearing on the public interest test has been filed with the Registrar;

(b) the OHTB will receive and decide upon the written case pursuant to subsection 9(1) of the TTA.

(c) where required the OHTB will hold a hearing respecting the public interest and report its decision to the Registrar;

(d) the licence document will be issued by Ministry personnel over the signatures of both the Chairman of the OHTB and the Registrar.

EFFECTIVE DATE: February 1st, 1992.

P.S. 016/92-02-01

POLICY STATEMENT

SUBJECT: Policy and Procedures for provision of French Language services by the Ontario Highway Transport Board.

OBJECTIVE: Fair and efficient provision of services, including the holding of public hearings and the dissemination of documents, in both the English and French languages.

BACKGROUND: The Ontario Highway Transport Board is required to provide services in the French language. According to the *French Language Services Act, 1986*, S.O. 1986, c.45, a person has the right to communicate with and receive services from the Board in French. The Board, as an independent quasi-judicial tribunal, is also required by the rules of natural justice and relevant legislation to follow a procedure that at all stages is fair to the participants. These complementary requirements define the objective of this policy.

A. OFFICE OF PROCEEDINGS

General Principle: All persons should be able to conduct their business with the Board in both the French and English languages.

1. Advice and information for the public will be available in both English and French. Standard documents, including application forms, will be available in both languages. Inquiries, whether by phone or by person, will be dealt with in French, upon request, with minimal delay.

2. All application forms will include a request for the applicant to identify his choice of language for correspondence and a hearing, if one is required.

3. Board correspondence with the public will be in the language of the correspondent's choice or, if choice unknown, in the language in which the correspondence was initiated.

4. Notice in the *Ontario Gazette* of applications will be provided in both English and French and will include a request that respondents should notify the Board if they choose to receive correspondence or be heard in the French language.

5. Prior to the final scheduling of out-of-town hearings, the linguistic requirements of the hearing will be confirmed with the parties.

B. HEARINGS

General Principle: Participants in a hearing can choose to be heard in the English or French language.

1. Where the Board has been notified of a requirement for a hearing, all or partly in the French language, it will provide the professional linguistic assistance suitable for the type of hearing involved.

2. Documentary evidence may be presented to the Board in either English or French.

3. Prehearing conferences should be used by parties to identify any documents, particularly those that are lengthy or specialized, that might require translation in order to provide a fair hearing.

4. Where a party to a hearing that is being conducted in both languages requests that a unilingual document that is tendered in evidence be translated into the other language, the Board would request particulars of the sections to be translated and retains the discretion to refuse to provide translation for frivolous requests.

5. All provision of linguistic services, including the translation of documents, will respect any requirements of confidentiality either imposed by the Board or inherent in its processes.

C. DECISIONS AND REASONS

General Principle: The decision and reasons, if any, will be issued in the language(s) in which the hearing was held.

1. Where a hearing is held in both English and French, the decision and reasons will be issued simultaneously in both languages except where urgency, the public interest or potential prejudice to a party would indicate that the decision or reasons should be issued in one language with the version in the other language to follow as soon as possible.

2. Where decisions or reasons are, in the Board's opinion, of interest to a public broader than the immediate parties, the decision or reasons will be issued simultaneously in both languages except where urgency, the public interest or potential prejudice to a party would indicate that the decision or

reasons should be issued in one language with the version in the other language to follow as soon as possible.

3. Where a person requests that a decision or reasons originally provided in only one language, be translated, the Board may, in its discretion, provide such a translation if it is satisfied the request is not frivolous.

4. Where no oral hearing is required or has been held, the Board will issue its decision and reasons, if any, in the language the applicant indicated it would have chosen to participate in a hearing if one were required.

Board Secretary

ENONCE DE POLITIQUE

OBJET: Décision en Chambre (article 8)

OBJECTIF: Réduire le nombre d'audiences publiques et améliorer l'établissement de l'horaire de la Commission.

COMMENTAIRE: L'article 8 du règlement 716 adopté en vertu de la *Loi sur la Commission des Transports de l'Ontario* permet à la Commission d'étudier une demande sans avoir à tenir une audience publique. Un avis sans indication de la date d'audience est publié en vertu de l'article 8 dans la Gazette de l'Ontario. POLITIQUE: La Commission publiera toutes les demandes en vertu des dispositions de l'article 8, à moins que le demandeur demande que le temps, la date et le lieu ne soient fixés avant la publication. Dans ces cas, la Commission continuera de publier les demandes en vertu des dispositions de l'article 3 du règlement.

ENONCE DE POLITIQUE

OBJET: Dépôt des oppositions en vertu du règlement 716 de la *Loi sur la Commission des Transports de l'Ontario*.

OBJECTIF: Clarifier la procédure de la Commission.

POLITIQUE: La pratique de la Commission est de publier les demandes en vertu en vertu des dispositions de l'article 8 du règlement 716 (cf: Enoncé de Politique No.005/92-02-01). Cette article permet à la Commission de publier les demandes de permis dans la Gazette de l'Ontario sans fixer de date d'audience et si aucune opposition n'est reçu dans les 29 jours de la publication de disposer de la demande sommairement i.e. sans audience publique. Si une opposition est déposée dans le délai prescrit de 29 jours, la Commission fixe une date d'audience qui procède comme si l'article 8 n'avait pas été utilisé.

Si une opposition a été déposé dans les 29 jours de la date de publication, d'autres oppositions peuvent s'y ajouter à condition d'être déposées au moins 15 jours avant la date fixée pour l'audience conformément à l'article 3 du règlement sans nécessité de déposer une requête pour obtenir une prolongation du délai.

Il est important de noter qu'une requête pour prolonger le délai pour déposer une opposition est nécessaire dans les cas d'un dépôt à l'intérieur des 15 jours précédant la date fixée pour l'audience.

   Lorsqu'il y a changement de nom d'un détenteur de permis, la Commission requiert une lettre indiquant le changement de nom ainsi qu'une copie du certificat de modification ou tout autre document officiel équivalent. Une fois les documents pertinents reçus, la Commission amendera ses dossiers et avisera le Ministère des Transports de l'Ontario.

   Un changement de nom résultant d'une fusion sera traité de la même façon sauf que la Commission demandera une copie du contrat de fusion ainsi qu'une copie du certificat de fusion.

2. *Changement de nom d'un client – fusion*:

ENONCE DE POLITIQUE

OBJET: Emission de subpoenas

OBJECTIF: Clarifier la politique de la Commission concernant l'émission de subpoena en vertu de l'article 12 de la *Loi sur la procédure et les pouvoirs statutaires en Ontario*.

POLITIQUE: Une demande de subpoena devrait indiquer:

(a) le nom et l'adresse de la personne demandant le subpoena;

(b) l'audience pour laquelle le subpoena est demandé;

(c) le nom et l'adresse de la personne à qui le subpoena doit être signifié, sa relation avec la demande de permis ainsi que la raison pour laquelle le subpoena est nécessaire; et

(d) une liste des dossiers, livres et documents à être produits par la personne et la loi à laquelle l'audience est soumise i.e. la *Loi sur les Véhicules de transport en commun*, la *Loi sur la Commission des Transports de l'Ontario*, la *Loi de 1987 sur les Transports Routiers* ou la *Loi sur le Camionnage, 1988*.

La demande devrait être:

(1) accompagnée d'un chèque au montant de $25.00 fait à l'ordre du "Trésorier de l'Ontario/CTRO"; et

(2) reçue par la Commission au moins 24 heures avant l'heure à laquelle la personne doit se présenter à l'audience.

Un subpoena doit être signifié à la personne qui est requise de se présenter à une audience et elle doit être indemnisée de la même façon qu'un témoin qui doit se présenter devant la Cour Supérieure [Article 12(2) de la *Loi sur la procédure et les pouvoirs statutaires de l'Ontario*.

DATE D'ENTREE EN VIGUEUR: Le 1er février 1992

E.P. 010/92-02-01

ENONCE DE POLITIQUE

OBJET: Procédure d'émission de permis non-permanents en vertu de la *Loi sur les Véhicules de transport en commun* et la *Loi de 1987 sur les Transports Routiers*.

OBJECTIF: Etablir un processus de décision efficace, équitable et flexible relativement aux demandes de permis temporaire et spécial.

COMMENT: La Commission peut émettre trois types de permis non-permanent:

1. *Un permis special* peut être accordé pour une période maximale de sept (7) jours consécutifs. La demande est généralement présentée par télécopieur mais la Commission peut agir sur requête écrite. Le Ministre a délégué à certains commissaires le pouvoir d'émettre ces permis en vertu de l'article 5(6) de la *Loi sur les Véhicules de transport en commun*.

2. Une demande de *permis temporaire pour une période spécifique* est présenté par le dépôt du formulaire ordinaire. Il expire par l'écoulement du délai spécifié ou au jour spécifié. Il contient une clause indiquant qu'il peut être annulé si la Commission détermine qu'un détenteur de permis peut maintenant offrir le service ou bien que le permis n'est plus requis.

3. Une demande de *permis temporaire en attendant le traitement final du permis permanent* est aussi présentée par le dépôt du formulaire ordinaire en même que la demande de permis permanent. Ce permis vient à échéance une fois que la décision a été rendue sur la demande de permis permanent. Il peut aussi être annulé si la Commission détermine qu'un détenteur de permis peut maintenant offrir le service ou bien que le permis n'est plus requis.

POLITIQUE: La Commission émettra un permis non-permanent que si elle est satisfaite que la demande rencontre un urgent besoin d'un service qu'aucun autre détenteur de permis peut offrir.

Lorsqu'il s'agit d'une demande de permis de transport scolaire, la Commission acceptera comme preuve prima facie de commodité publique l'existence d'un contrat avec une commission scolaire.

Permis spécial

Ces demandes de permis sont habituellement déposées, accordées ou rejetées par télécopieur, bien qu'elles peuvent aussi être présentées sous toute autre forme écrite. Ces demandes sont étudiées en Chambre sans avis public. Copies des décisions sont disponibles aux bureaux de la Commission au 151 rue Bloor ouest à Toronto.

Ces permis sont habituellement émis pour des voyages spécifiques et pour une période maximale de sept (7) jours consécutifs. Ils peuvent toutefois être renouvelés pour une période additionelle afin de permettre le dépôt et la disposition d'une demande de permis temporaire.

Pour être éligible à un permis spécial, la législation requiert que le demandeur soit le détenteur d'un permis.

Permis temporaire

Les demandes de permis temporaires sont généralement considérées en Chambre. Les demandes sont présentées sur le formulaire ordinaire clairement identifié "demande de permis temporaire". Une copie est publiée pendant sept jours sur le Tableau des avis de la Commission et une copie est envoyée par télécopieur à l'Association des Transporteurs par autobus de l'Ontario.

Ces demandes doivent être accompagnées des frais habituels d'ouverture de dossiers et d'affidavits contenant l'information suivante:

1. L'affidavit du client devrait indiquer:
   (a) la raison pour laquelle la situation est urgente;
   (b) le type de service demandé;
   (c) les démarches entreprises par le client afin d'obtenir le service de la part d'un détenteur de permis;
   (d) le taux à payer.
2. L'affidavit du demandeur devrait indiquer:
   (a) s'il y a d'autres détenteurs de permis disponibles et capables d'offrir le service demandé?
   (b) s'ils ont été approché afin de donner le service demandé?
   (c) si non, indiquer pourquoi?
   (d) si oui, quels en étaient les termes?

La Commission peut:

(a) rejeter la demande;

(b) émettre un certificat; ou

(c) demander des informations supplémentaires.

Une opposition à une telle demande doit être déposée dans les sept jours de la date de publication et indiquer qu'une offre de service a été faite au client. L'opposition et l'avis peuvent être envoyés par télécopieur ou par écrit à l'intention de la Commission; une copie doit aussi être envoyée au demandeur.

Si aucune opposition n'est déposée dans les sept (7) jours de la date de publication, la Commission peut décider, en Chambre, d'accorder ou de rejeter la demande.

Le dépôt d'une opposition après l'émission d'un certificat, peut être entendu par la Commission aussitôt que possible au temps et au lieu déterminés par la Commission. Avis de l'audience est donné par télécopieur au demandeur et aux opposants et publié sur le Tableau des avis de la Commission. L'Association des Transporteurs par autobus de l'Ontario est aussi avisée de la date de l'audience.

DATE D'ENTREE EN VIGUEUR: Le 1er février 1992

E.P. 011/92-02-01

ENONCE DE POLITIQUE

OBJET: Ajournements.

OBJECTIF: Etablir une politique concernant les demandes d'ajournement.

COMMENTAIRES: Les ajournements demandés à la dernière minute ont un effet perturbateur sur les opérations de la Commission. Un avis inadéquat d'ajournement peut aussi avoir le même effet sur les opposants et les avocats. Ceci peut avoir un plus grand effet si l'audience doit se tenir à un endroit autre que les bureaux de la Commission.

POLITIQUE: Les demandes d'ajournement par le demandeur sont accordées s'il y a une cause raisonnable i.e. maladie ou un évènement imprévisible.

Les demandes d'ajournement doivent être présentées par écrit au Secrétaire de la Commission au moins:

(a) trois (3) jours ouvrables avant la date fixée pour l'audience devant se tenir aux bureaux de la Commission au 151 rue Bloor ouest, Toronto; ou

(b) sept (7) jours ouvrables avant la date fixée pour l'audience devant se tenir à un endroit autre que les bureaux de la Commission à Toronto.

Une fois l'ajournement accordée, le demandeur doit en aviser immédiatement tous les opposants. Des frais seront imposés au demandeur si les opposants ne sont pas avisés en temps que leur présence à l'audience n'est pas requise.

La Commission peut à sa discrétion imposer des frais pour chaque ajournement.

ENONCE DE POLITIQUE

OBJET: Demande de transfert partiel d'un permis de transport.

OBJECTIF: Formuler une politique concernant le transfert partiel d'un permis de transport.

POLITIQUE: Les demandes de transfert partiel de permis ne seront pas publiées dans la Gazette de l'Ontario en vertu de l'article 8 du règlement 716 adopté en vertu de la *Loi sur la Commission des Transports de l'Ontario*.

Ces demandes seront publiées dans la Gazette de l'Ontario en vertu de l'article 3 du règlement 716 adopté en vertu de la *Loi sur la Commission des Transports de l'Ontario*. Conséquem-

ment, l'avis de publication de ces demandes indiquera la date d'audience sans faire référence à l'article 8 du règlement 716.

Il est à noter qu'une requête afin de prolonger le délai d'opposition devra être présentée si l'opposition est déposée dans les quinze (15) jours de la date fixée pour l'audience (tel qu'indiqué à l'article 5 du règlement 716).

DATE D'ENTREE EN VIGUEUR: Le 1er février 1992

E.P. 013/92-02-01

ENONCE DE POLITIQUE

OBJET: Demandes de permis temporaire et permanent par un demandeur ne détenant pas de permis.

OBJECTIF: Améliorer la qualité du transport en s'assurant que les nouveaux transporteurs sont qualifiés.

POLITIQUE: Une demande de permis, temporaire ou permanent, déposée par une personne ne détenant pas de permis qui n'a pas reçu d'opposition et qui est décidée sommairement par la Commission soit en vertu de l'article 8 du règlement 716 de la *Loi sur la Commission des Transports Routiers de l'Ontario* ou soit qu'un besoin urgent a été démontré requiert:

(1) le dépôt par le demandeur des affidavits requis par l'Enoncé de Politique No.01-0/92-0201 en plus de l'information suivante:

(a) liste de l'équipement du demandeur indiquant l'année, la marque et le numéro de série des véhicules et s'ils sont loués ou en propriété;

(b) nombre de terminaux et leur situation;

(c) états financiers pour l'année courante, préférablement vérifiés;

(d) dossier des accidents;

(e) réclamations d'assurance pour la dernière année;

(f) réclamations d'assurance non payées;

(g) détails de la couverture d'assurance et le montant des primes à payer;

(h) description du service à être offert (indiquer les particularités du service) et le taux à être chargé;

(i) raisons pour lesquelles la demande est présentée.

(2) la présence du demandeur à une audience publique devant la Commission. Cette exigence ne s'applique pas au demandeur qui est le détenteur d'un permis émis par une juridiction reconnue depuis au moins un an.

DATE D'ENTREE EN VIGUEUR: Le 1er février 1992

E.P. 014/92-02-01

ENONCE DE POLITIQUE

OBJET: Approbation des taux dans les cas de nouveaux services de transport de passagers.

OBJECTIF: Clarifier la procédure mise de l'avant par la Commission concernant le dépôt des taux.

POLITIQUE: Lorsqu'un transporteur dépose une demande à la Commission des Transports de l'Ontario afin d'opérer un nouveau service sur horaire ou bien un nouveau service de transport nolisé, les taux proposés doivent être déposés en même que la demande. Cette exigence ne s'applique pas aux demandes de permis de transport scolaire.

Un nouveau service est défini comme un service qui n'est pas présentement offert par un transporteur.

Les exigences indiquées ci-dessus s'appliquent aux demandes de permis temporaires mais pas aux demandes de permis spéciaux.

Les taux proposés doivent être publiés dans la Gazette de l'Ontario en même que la demande de permis. Dans les cas où aucune opposition n'a été déposée à l'encontre de la demande ou des taux, la Commission doit, après avoir déterminé si la commodité publique est servie, préparer un rapport au Ministre indiquant si les taux proposés sont justes et raisonables.

Lorsqu'une opposition est déposée à l'encontre de la demande ou de la demande et des taux proposés, la Commission doit conformément à la *Loi sur la Commission des Transports Routiers de l'Ontario* tenir un audience publique. En plus de déterminer si la commodité publique est servie et qu'un certificat devrait être émis, la Commission doit étudier les taux pour s'assurer de leur caractère raisonable et juste et préparer un rapport au Ministre indiquant ses conclusions.

Lorsqu'une opposition est déposée à l'encontre des taux proposés seulement, la Commission doit en premier déterminer en Chambre si la commodité publique est servie par l'émission du certificat demandé. Si un certificat est accordé, la Commission doit tenir un audience publique afin d'étudier le caractère raisonable et juste des taux proposés.

Une fois que le certificat est accordé, la Commission doit émettre un rapport au Ministre indiquant ses conclusions.

Lorsque des taux permanents remplacent des taux temporaires, la Commission doit, dans son rapport au Ministre sur les taux permanents, souligner les différences dans ses conclusions entre les taux permanents et les taux temporaires.

ENONCE DE POLITIQUE

OBJET: Demandes de permis en vertu de la *Loi de 1987 sur les Transports Routiers*.

COMMENTAIRES: La *Loi sur le Camionnage, 1988* est entrée en vigueur le 30 janvier 1989. En vertu d'une opinion provenant du Procureur Général de l'Ontario, les responsabilités de la Commission des Transports Routiers de l'Ontario en vertu des Parties II et III de la *Loi de 1987 sur les Transports Routiers* sont affectées par la *Loi sur le Camionnage* et dépendront des exigences fonctionnelles de la loi fédérale. La procédure et les responsabilités de la Commission en vertu de la Partie I demeurent inchangées.

POLITIQUE: Les règles de procédure suivantes visent à réfléter ces responsabilités.

Partie I LTR –

(a) les demandes sont déposées à la Commission des Transports Routiers de l'Ontario agissant en tant qu'office provincial;

OBJECTIF: Prestation équitable et efficace de services, y compris la tenue d'audiences publiques et la diffusion de documents, en anglais et en Français.

En vertu de la *Loi de 1986 sur les services en français*,L.O. de 1986, chap. 45, toute personne a le droit de communiquer avec la Commission et de recevoir des services de celle-ci en Français. La Commission, en tant que tribunal quasi-judiciaire, est tenue par les règles de la justice naturelle et la législation pertinente de suivre une procédure qui, lors des différentes étapes, est juste pour tous les participants. Ces exigences complémentaires définissent l'objectif de la présente politique.

A. BUREAU DES INSTANCES

Principe général: Toute personne doit pouvoir traiter avec la Commission en anglais et en Français.

1) Les recommandations et les renseignements destinés au public seront disponibles en anglais et en Français. Les documents standards, y compris les formulaires de demande, seront offerts dans les deux langues. Les demandes de renseignements présentées par téléphone ou en personne seront traitées, sur demande, en Français dans les plus brefs délais possible.

2) On incluera dans toutes les formules de demande une note demandant au requérant d'identifier la langue dans laquelle il désire que la correspondance à son intention soit rédigée et que l'audience ait lieu, le cas échéant.

3) La correspondance de la Commission destinée au public sera rédigée dans la langue demandée par le correspondant ou, en l'absence de précisions à ce sujet, dans la langue où elle a été amorcée.

4) Les demandes seront annoncées dans la *Gazette de L'Ontario* en anglais et en Français. On indiquera également que les opposant doivent aviser la Commission s'ils désirent recevoir leur correspondance en Français ou s'ils désirent être entendus dans cette langue.

5) Avant la tenue des audiences dans les régions, la Commission confirmera les besoins linguistiques avec les parties concernées.

B. AUDIENCES

Principe général: Les personnes participant à une audience ont le choix d'être entendues en anglais ou en Français.

2) Les preuves documentaires peuvent être dosées devant la Commission en anglais ou en Français.

3) Les parties devraient avoir recours aux conférences préparatoires à l'audience afin d'identifier les documents importants ou spécialisés devant être traduits pour assurer la tenue d'une audience équitable.

4) Lorsqu'une des parties une audience ayant lieux dans les deux langues demande qu'un document unilingue présente comme preuve soit traduit dans l'autre langue, la Commission demandera une description des sections devant être traduites et se réserve le droit de refuser les demandes de traduction non justifiées.

5) Tous les services linguistiques offerts, y compris la traduction de documents, respecteront les exigences en matière de confidentialité imposées par la Commission ou propres ses procédures.

Principe général: La décision et les motifs, le cas échéant, seront rendus publics dans la(les) langue(s) utilisées(s) lors de l'audience.

1) Lorsqu'une audience a lieu en anglais et en Français, la décision et les motifs seront rendus publics simultanément dans les deux langues sauf lorsque, en raison d'une urgence, de l'intérêt public ou du préjudice possible à une des parties, la décision et les motifs devraient d'abord être rendus publics dans une langue. Dans ce cas, la décision et les motifs seront publiés dans l'autre langue dés que possible.

2) Lorsque la Commission estime qu'une décision ou des motifs touchent un public plus vaste que les parties concernées, la décision et les motifs seront rendus publics simultanément dans les deux langues sauf lorsque, en raison d'une urgence, d l'intérêt public ou de préjudice possible à une des parties, la décision ou les raisons devraient d'abord être publiés dans une seule langue puis rendus publics dans l'autre langue dés que possible.

Exemption—Ministry of Government Services—MGS-102/2.
Made—December 19th, 1991.
Approved—December 19th, 1991.
Filed—January 2nd, 1992.

ORDER MADE UNDER THE
ENVIRONMENTAL ASSESSMENT ACT

EXEMPTION—MINISTRY OF GOVERNMENT SERVICES—
MGS-102/2

Having received a request from the Minister of Government Services that an undertaking, namely:

1. The acquisition, optioning and exercising of options of real property and leaseholds;

2. The sale, granting or other disposal of real property and leaseholds;

3. The planning of real property under the *Planning Act*;

4. The interim management of real property and improvements thereon, including letting (Ministry of Government Services (MGS) as lessor) and demolition, maintenance and repair;

5. The construction and contracting for construction of Capital Construction Projects which are of a minor nature, having an estimated value of less than $1,000,000;

6. The construction of additions to or replacement of or reconstruction of existing structures or facilities where the new structure or facility will be located on the same site as the structure or facility added to, replaced or reconstructed and will have substantially the same purpose and use as the structure or facility replaced;

7. The construction of administrative facilities of the Provincial Government and ancillary infrastructure in support of these facilities;

8. The construction of ancillary infrastructure by the Provincial Government for land intended to be disposed of by the Province;

9. The erection of communication towers at the request of another ministry;

10. The construction of drainage works regulated under the *Drainage Act*,

be exempt from the application of the Act pursuant to section 29; and

Having been advised by MGS that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

A. The Crown will be interfered with and damaged by the undue delay and expense required to prepare environmental assessments for activities which will have insignificant adverse environmental effects.

B. Review and approval with respect to the Class Environmental Assessment referred to in reason C will be hampered by having to prepare separate exemptions or assessments for projects undertaken by MGS and its clients that have insignificant environmental effects.

Having weighed such injury, damage or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to orders that the undertaking is exempt from the application of the Act for the following reasons:

A. All changes in the permitted use of real property will be subject to the approval procedures under the *Planning Act* which procedures include provision for consideration of environmental concerns and public notification.

B. The proposed undertaking will have no significant adverse effects on the environment that cannot be mitigated by the following terms and conditions.

C. On September 27, 1991, MGS submitted their Class Environmental Assessment (Class EA) for Realty Group Activities for approval under the Act.

This exemption is subject to the following terms and conditions:

1. Where any activity which otherwise would be exempt under this Order is being carried out as or is part of an undertaking for which an environmental assessment has been accepted and approval to proceed received, the activity shall be carried out in accordance with any terms or conditions in the approval to proceed as well as the conditions of this Order.

2. Where any activity which is the subject of this Order is being carried out as or is part of another undertaking which is the subject of an exemption order under the Act, the activity exempt under this Order shall be carried out in accordance with any terms or conditions in the other exemption order as well as the conditions in this Order.

3. The activities referred to in paragraphs 4, 5, 6, 7, 8, 9 and 10 of the description of the undertaking under this Order shall not be implemented if they will conflict with any provision of a zoning by-law or other similar land use control under the *Planning Act*, *Niagara Escarpment Planning and Development Act*, *Parkway Belt Planning and Development Act* and the *Ontario Planning and Development Act* unless such change is made to put the property in a safe condition.

4. (1) For the purposes of condition 3 as it applies to additions or replacement under paragraph 6 of the description of the undertaking for greater than 50 per cent of the current operational capacity of the facility or as it applies to paragraph 7, a provision in a zoning by-law or other similar land use control which gives a general authorization for all types of government uses shall be disregarded.

   (2) Subcondition (1) does not prevent the construction and use of administrative facilities in a non-residential area or of buildings of a type the official plan allows to be constructed for the private sector.

5. The carrying out of activities described in paragraph 1 of the description of the undertaking shall not be used by MGS to justify any particular undertaking which may involve the property in question, nor shall it be given any weight in decisions that must be made under the Act on any undertakings.

6. The activities referred to in paragraph 1 of the description of the undertaking are not exempt where the acquisition is for disposal unless the disposal is related to meeting the objectives of the "Housing First" policy or to small parcels adjacent to currently owned lands and the purpose is to round out those currently owned lands and that the intended use of these lands is not subject to the Act.

7. (1) MGS shall include in its feasibility studies the identification of all environmentally significant areas. The identification shall involve, where appropriate,

   1. Contact with Ministry of Natural Resources (MNR) District and Regional staff;

2. Contact with Conservation Authority staff;

3. Contact with the Niagara Escarpment Commission staff;

4. On-site surveys by environmental consultants; and

5. The consideration of information received from any party regarding the existence of habitats for threatened, rare or endangered species.

(2) MGS shall ensure throughout its feasibility studies that no activities referred to in paragraphs 1 through 10 of the description of the undertaking shall negatively impact the state of environmentally significant areas. If such a feasibility study reveals that any environmentally significant areas are potentially adversely impacted by any of the proposed activities in this Order, then an environmental management plan shall be incorporated into the feasibility study which shall ensure that the state of any environmentally significant areas shall be maintained or improved. Such environmental management plans shall address, where appropriate, surface and groundwater quality and quantity, soil management, noise, air emissions, habitat preservation and management, public access, heritage preservation and integration and environmental monitoring.

(3) Where MGS proposes to proceed with an activity under this Order and a feasibility study was completed before the date of the Order that did not address the matters required to be addressed by subcondition (2), a supplementary feasibility study that satisfies the requirements of subcondition (2) shall be carried out.

(4) MGS shall comply with any feasibility study including any environmental management plan referred to in subcondition (2) or (3), as it may be amended from time to time.

(5) Any feasibility study for which an environmental management plan is required under subcondition (2) or (3) shall include public consultation in the carrying out of that study.

8. The activities referred to in paragraph 2 of the description of the undertaking are not exempt with respect to environmentally significant areas except where the sale, granting or other disposal is to a public or non-profit agency which will agree to use such land for conservation purposes only and there are provisions in an official plan and zoning by-law restricting the use of the land to conservation purposes only.

9. When heritage resources are identified as significant in this interim period through existing arrangements and protocols, MGS shall avoid adverse impact on these resources. MGS shall also consult with the Ministry of Culture and Communications with the intent of establishing a process to identify heritage resources in MGS's inventory of real property.

10. The additions referred to in paragraph 6 of the description of the undertaking for the Ministries of Community and Social Services, Health and Correctional Services that are not administrative facilities will be limited to increases not greater than 50 per cent of the current operational capacity of the facility.

11. The activities referred to in paragraph 8 of the description of the undertaking are exempt only for projects where a substantial component is residential development.

12. Where MGS proposes to carry out an activity of a type that if carried out by a municipality would be an activity in the Class Environmental Assessment for Municipal Roads projects of the Class Environmental Assessment for Municipal Sewer and Water projects or if carried out by Ontario Hydro would be an activity described in the Class Environmental Assessment for Minor Transmission Facilities (copies of which are located in the public records established under section 30 of the Act), then MGS may only carry out the activity if it has followed the same procedures as a municipality or Ontario Hydro would have had to follow under their respective environmental assessments and if as a result of applying the relevant environmental assessment a municipality or Ontario Hydro would have had to perform an individual environmental assessment for such activity, the activity is not exempt under this Order.

13. Any structure which would be subject to the *Building Code Act* if built by a private person shall be subject to the requirements of the *Building Code Act*.

14. For the purposes of conditions 3 and 13, the listed statutes shall be treated as though they bound the Crown.

15. The activities referred to in paragraph 9 of the description of the undertaking shall comply with any relevant Canadian Standard Association standards and regulations of the Federal Department of Transport.

16. Where MGS is carrying out an activity under this Order, it shall review the environmental history of the lands and shall ensure that such tests are conducted as a reasonable and prudent buyer, landowner or developer would do given the history and intended use of the lands. If such tests reveal concentrations of contaminants in excess of the criteria and parameters contained in the "Guidelines for the Decommissioning and Cleanup of Sites in Ontario" (MOE Policy 14-17-01), MGS shall follow the procedures outlined in that Policy in order to ensure that the decommissioning and cleanup of the site is completed in an environmentally acceptable manner before the activities being carried out under this Order are completed.

17. MGS shall provide copies of the Functional Program Description or a similar document prepared for the project which includes location, environmental concerns and public and agency contacts where appropriate to the Environmental Assessment Branch for activities referred to in paragraphs 7, 8, 9 and 10 of the description of the undertaking. Such descriptions will be submitted at least sixty days prior to implementation of any project. For proposed applications under the *Planning Act* permitting substantial changes in use, MGS shall submit a background report to the Environmental Assessment Branch containing a description of and rationale for the project and a summary of its impacts. Any environmental management plan and supplementary feasibility study referred to in subcondition 7 (4) shall be submitted to the Director, Environmental Assessment Branch, and the appropriate Regional Office of the Ministry of the Environment.

For proposed activities under paragraph 2, involving real property in excess of 100 acres for any one undertaking, where such real property has not been subjected to the *Planning Act*, MGS shall submit, at least sixty days prior to implementation, a background report to the Environmental Assessment Branch of the Ministry of the Environment containing a description of, and rationale for, the sale, granting or other disposal of real property and leaseholds. This requirement will not apply to the disposal of farmland where the proposed use is farming.

18. Within forty-five days of receiving notification from MGS under condition 17 or within forty-five days of receiving additional information under this condition, the Minister of the Environment may, by written notice to MGS which outlines his or her reasons:

(1) Direct that an environmental assessment be prepared for the project, in which event the project will not be exempt under this Order; or

(2) Advise that the project may proceed with or without conditions; or

(3) Request additional information, in which event the project cannot proceed until the Minister or Director of the Environmental Assessment Branch gives written notice to proceed with or without conditions.

No response within forty-five days indicates that the project may proceed under this Order.

19. Where an activity is undertaken by MGS on behalf of MNR or the Ministry of Transportation (MTO) which is subject to the Act (or would be so subject except for another exemption), and MNR or MTO has obtained an exemption or approval under the Act for its undertaking, the provisions of that exemption or approval apply to the activity rather than the other conditions of this Order.

20. (1) This Order terminates on the earlier of,

(a) January 15, 1993, and

(b) the date a decision with respect to whether an approval should be issued in relation to MGS's Class Environmental Assessment referred to in reason C becomes final.

(2) The Minister may, from time to time, by notice in writing extend the time referred to in clause (a) of subcondition (1).

21. In this Order, the following words have the meanings given for them:

''administrative facilities'' includes offices, land registry buildings, court houses, ambulance centres and other provincial service structures except for facilities constructed for the Ministries of Correctional Services, Health and Community and Social Services, listed below and which definitions are filed in the public record kept under section 30 of the Act with the Environmental Assessment Branch of MOE,

ENVIRONMENTAL ASSESSMENT ACT

O. Reg. 26/92.
Exemption—City of Hamilton—HAM-C-1.
Made—January 9th, 1992.
Approved—January 9th, 1992.
Filed—January 21st, 1992.

ORDER MADE UNDER THE
ENVIRONMENTAL ASSESSMENT ACT

EXEMPTION—CITY OF HAMILTON—HAM-C-1

Having received a request from The Corporation of the City of Hamilton (the "City") that an undertaking, namely:

The program for the remediation of the Hamilton Harbourfront on the former Lax Property, a 20 hectare lakefill site contaminated with industrial wastes, which is one of the very few public waterfront open spaces in the City of Hamilton, including:

A. removal and off-site disposal of industrial waste and contaminated soils at approved sites (Appendix A: 1988 Canviro Ltd., Lax Property Remediation Plan),

B. protecting the shoreline from erosion (creating fisheries habitat with the shoreline protection designs) (Appendix B: 1991 Cumming Cockburn Ltd., Hamilton Harbourfront Shoreline Protection Plan),

C. installing a buried services corridor to avoid future disturbance of the remedial cap (Appendix C: 1991 Philips Planning & Engineering, Hamilton Harbourfront Services Corridor Plan),

D. regrading and establishing protective vegetative cover with grass and trees (Appendix D: 1991 Department of Public Works, Hamilton Harbourfront Landscape Plan),

so that on completion of this program, the site is able to be opened up as a safe public green space,

be exempt from the application of the Act pursuant to section 29; and

Having been advised by the City that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

A. The water quality in the harbour will suffer due to erosion and leaching of industrial waste from the site which has negative impact on human activities and potential harmful impact on the biota of Hamilton Harbour;

B. The people living in the neighbourhood of the site will continue to be exposed to dust which is currently eroding from the site into the atmosphere near the site;

C. The people of Hamilton will continue to be deprived of one of the very few places where they have any public access to waterfront open space as the site is cordoned off behind a fence and not accessible due to the industrial waste.

Having weighed such injury, damage or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

A. to expedite the remediation of a public open space for use by the public;

B. to protect the biota in the water of Hamilton Harbour from potential harm from the leachate from the site;

C. protection of the environment is best served by immediate remediation;

D. the risks of environmental impact from the remediation program are negligible and far outweighed by the advantages of immediate remediation;

E. remediation of the site will leave the site available for a broad spectrum of future development scenarios. Any significant development will be subject to full environmental assessment at the time it is proposed, in the meantime, the site will provide safe, desirable public open space and access to the waterfront;

F. the public and interested agencies in Hamilton have been consulted and informed of the undertaking and are in general support of it;

G. support for the remediation is widespread and no opposition has been voiced;

H. remediation of the site will result in creation of valuable natural habitat and environment.

This exemption is subject to the following terms and conditions:

1. Construction work associated with the undertaking shall be completed by November 1, 1992 or such later date as the Minister of the Environment specifies by written notice to the City.

2. Subject to Condition 3, the site be opened for public access on completion of the remediation.

3. Approval is obtained under section 46 of the *Environmental Protection Act* for use of the site as public open space.

4. The City submit to the Director, West Central Region, Ministry of the Environment (the "Director"), a list of those waste disposal sites at which the waste materials/soils from the site will be disposed of before any waste is removed from the site.

5. The City submit to the Director, for approval in writing, specific truck haulage routes for the removal of wastes to be followed throughout the undertaking and require trucks hauling wastes from the site to use those routes.

6. Prior to submitting the removal project to tender, the City will submit the tender request documents, including the details of

procedures to be used, controls to be used to eliminate dust emissions and removal techniques, to the Director and obtain his approval.

7. The City take steps to ensure that the hauling contractor(s) securely contain all loads in order to prevent spillage and clean up any spillage that does result from the loading and hauling of waste materials/soils, and notify the Ministry of the Environment immediately in the event of spillage.

8. The City advise, in writing, thirty calendar days after the completion of the undertaking, the Director of the Environmental Assessment Branch of the Ministry of the Environment, as to how the conditions of this exemption have been met, for filing together with the other documents referred to in this exemption order with the public records kept under section 30 of the Act by the Branch. (3) Despite subsection (1), if all the services rendered during a day are part of a domiciliary type of care that, in Ontario, would ordinarily be provided in a nursing home, home for the aged or in an extended care facility, the services are not prescribed as insured services.

(4) The amount payable by the Plan for in-patient services prescribed in subsection (1) is the amount actually billed to a maximum of $400 per day for the higher level of care described in subsection (5) or $200 per day for any other kind of care.

(a) the treatment is generally accepted in Ontario as appropriate for a person in the same medical circumstances as the insured person; and

(b) either,

(i) that kind of treatment that is not performed in Ontario by an identical or equivalent procedure, or

(ii) that kind of treatment is performed in Ontario but it is necessary that the insured person travel out of Canada to avoid a delay that would result in death or medically significant irreversible tissue damage.

(3) If insured services prescribed by subsection (2) are covered by a preferred provider arrangement, the amount payable is the amount provided in the preferred provider arrangement.

(4) If insured services prescribed by subsection (2) are not covered by a preferred provider arrangement, the amount payable is the usual and customary amount charged by similar facilities under similar circumstances to major insurers for services provided, to persons they insure, in facilities located in the jurisdiction where the insured services are provided.

(5) The following are conditions of payment of amounts for services prescribed in this section:

57e.—(1) A therapeutic laboratory service or diagnostic laboratory test that is performed outside Canada is prescribed as an insured service if that kind of service or test is not performed in Ontario but the service or test is generally accepted in Ontario as appropriate for a person in the same circumstances as the insured person.

(2) Despite subsection (1), a service or test is not prescribed as an insured service if the service or test is experimental or the service or test is performed for research purposes.

(3) The amount payable by the Plan for a service or test prescribed by subsection (1) is the amount determined by the General Manager.

(4) It is a condition of payment of an amount for a service or test prescribed by subsection (1) that written approval of the payment is obtained from the General Manager before the service or test is performed.

(5) A payment under this section may only be made directly to the person who performed the service or test. O. Reg. 31/92, s. 3, *part*.

57f.—(1) For in-patient services, it is a condition of the payment of any amount under section 57c or 57d that the General Manager receive, from the hospital or health facility where the services were rendered, a written statement showing,

The following are applications for operating licences under Part III of the Motor Vehicle Transport Act, 1987, S.C. 1987, Chapter 35. The applicants have been found to meet the fitness requirement in like manner to section 6 of the Truck Transportation Act, R.S.O. 1990, Chapter T.22, and the provincial transport board for Ontario proposes to issue the licences unless a person, within thirty days of this publication, serves on the Applicant and files with the Registrar of Motor Vehicles with the prescribed filing fee, a written request for a fitness hearing or a public interest test in like manner to Subsection 7 (4) of the Truck Transportation Act, R.S.O. 1990, Chapter T.22.

NOTE: A person who requests a public interest hearing must, within thirty-nine days of this publication, serve on the Ontario Highway Transport Board a document that makes out a written case to the Board that the granting of the operating authority applied for would be likely to have a significant detrimental effect on the public interest using the criteria set out in subsection 10 (1) of the Truck Transportation Act, R.S.O. 1990, Chapter T.22, and that the request is not frivolously made.

REASONS FOR PROPOSAL OF CANCELLATION

Clause 11 (e) of the *Public Vehicles Act* authorizes the Minister to cancel the public vehicle operating licences where the licensee or any person under his control and direction contravenes the Public Vehicles Act or the Highway Traffic Act or the regulations hereunder or thereunder or the terms and conditions of the licence and such contravention affords reasonable grounds for believing that the business of a carrier will not be carried on pursuant to the licence in accordance with the requirements of such Acts or regulations or such terms and conditions.

Attached to these Reasons for Proposal is a copy of Commercial Vehicle Operator Registration record of Clubliner Coachlines Inc. Convictions have been registered under the Motor Vehicle Transport Act, Highway Traffic Act, Public Vehicles Act and Regulations. These offenses affords reasonable grounds for my belief that the transportation service operated by you will not be carried on in accordance with the terms and conditions of your licences and in accordance with such acts and regulations.

I am therefore proposing the cancellation of Extra-Provincial Operating Licence X-1418 and Public Vehicle Operating Licences No. 3973 and Temporary 3973 (1) issued to Clubliner Coachlines Inc. pursuant to clause 11 (e) of the *Public Vehicles Act*.

AN ORDER has been filed with this court requiring the payor to pay money to the recipient. The recipient claims that you owe or will owe a debt to the payor. The recipient has had this notice of garnishment directed to you as garnishee in order to seize any debt that you owe or will owe to the payor.

(check off one or both boxes below, as appropriate)

☐ The recipient claims that you owe or will owe the payor a lump sum.
YOU ARE COMMANDED TO PAY to the clerk of the court,
a) within ten days after service of this notice upon you, all debts owing by you to the payor, and
b) within ten days after the debt becomes payable, all debts due from you to the payor for a period of six years after service of this notice upon you.
The total amount of all payments is not to exceed: *(insert total amount claimed by recipient)* $

☐ The recipient claims that you owe or will owe the payor a salary, a pension or other periodic debt.
YOU ARE COMMANDED TO DEDUCT, for a period of six years after service of this notice upon you, from all wages, pension payments or any other periodic debt payments due from you to the payor,
a) to meet the periodic payments of the order filed with this court, the sum of $ each *(month, week, etc.)* beginning on *(date)* , 19 , and continuing until further order of the court, and
b) to pay off any lump sum, arrears, court costs and interest, the further sum of $ each *(month, week, etc.)* beginning on *(date)* , 19 , and continuing until *(date)* , 19 , or until further order of the court,
and to pay these amounts to the clerk of the court within ten days after the wages, pension payments or other periodic debt becomes payable by you to the payor.

If a) you dispute, for whatever reason, the claim that you will owe a debt to the payor, or
b) you owe or will owe the payor less than the amount that he/she is alleged to owe to the recipient, or
c) you have a defence or a right of set-off against the payor,
you must, within ten days after service of this notice on you, pay to the clerk of the court whatever amount that you admit to be owing or accruing due to the payor, and you must, at the same time, serve on the recipient and file with the clerk of the court a dispute in Form 45 accompanying this notice. IF YOU FAIL TO OBEY THIS NOTICE, THE COURT MAY MAKE AND ENFORCE AN ORDER AGAINST YOU for the amount unpaid and the court costs incurred by the recipient.

IF YOU MAKE PAYMENT TO ANYONE OTHER THAN THE CLERK OF THE COURT AFTER SERVICE OF THIS NOTICE ON YOU, YOU MAY BE LIABLE TO PAY AGAIN.

TO ALL PARTIES:

The payments owing are for support. Accordingly, where the garnishee is the payor's employer, section 7 of Ontario's *Wages Act* states that fifty per cent of any wages due to an employee is EXEMPT from garnishment or seizure. This exempt portion may be increased or decreased by an order of the court. If a copy of such an order of the court is attached to this notice, the garnishee must comply with the percentage of the exemption stated in that order.

The *Creditors' Relief Act* states that support orders have priority over other judgment debts, regardless of when an enforcement process is issued or served. Where the support order is for a lump sum payment, the priority is for the amount of the lump sum. Where the order is for periodic payments, the priority is for an amount up to one year's support at the rate current when this notice of garnishment is served on you. Support orders rank equally with one another.

If the payor disputes for any reason that this notice of garnishment is correct or that support is payable, he or she must, within ten days after service of this notice, serve on the recipient a dispute in Form 44 accompanying this notice and file it, with proof of service, with the clerk of the court. If the dispute form is missing, the payor should contact his or her own lawyer or the court office.

Where the garnishee or the payor files a dispute, or where the garnishee does not make the payment required by this notice, the clerk of the court may issue a notice of garnishment hearing in Form 46 for a hearing before the court to determine the rights of the parties.

Where there is a material change in the circumstances of the payor or of the recipient, a motion may be made to the court to vary or to suspend any term of the garnishment.

The *Creditors' Relief Act* states that support orders have priority over other judgment debts, regardless of when an enforcement process is issued or served. Where the support order is for a lump sum payment, the priority is for the amount of the lump sum. Where the order is for periodic payments, the priority is for an amount up to one year's support at the rate current when this notice of garnishment is served on you. Support orders rank equally with one another.

If the payor disputes for any reason that this notice of garnishment is correct or that support is payable, he or she must, within ten days after service of this notice, serve on the recipient a dispute in Form 44 accompanying this notice and file it, with proof of service, with the clerk of the court. If the dispute form is missing, the payor should contact his or her own lawyer or the court office.

Where the garnishee or the payor files a dispute, or where the garnishee does not make the payment required by this notice, the clerk of the court may issue a notice of garnishment hearing in Form 46 for a hearing before the court to determine the rights of the parties.

Where there is a material change in the circumstances of the payor or of the recipient, a motion may be made to the court to vary or to suspend any term of the garnishment.

COURTS OF JUSTICE ACT

O. Reg. 72/92.
Rules of Practice and Procedure—Unified Family Court.
Made—February 14th, 1992.
Filed—February 17th, 1992.

REGULATION TO AMEND REGULATION 939 OF REVISED REGULATIONS OF ONTARIO, 1980 MADE UNDER THE COURTS OF JUSTICE ACT

1. Rule 6 of Regulation 939 of Revised Regulations of Ontario, 1980 is revoked and the following substituted:

6.—(1) A failure to comply with these rules is an irregularity and does not render a proceeding or a step, document or order in a proceeding a nullity, and the Court,

(a) may grant all necessary amendments or other relief, on such terms as are just, to secure the just determination of the real matters in dispute; or

(b) only where and as necessary in the interest of justice, may set aside the proceeding or a step, document or order in the proceeding in whole or in part.

(2) At any stage of a proceeding the Court may by order correct the name of a party incorrectly named on such terms as are just, unless prejudice would result that could not be compensated for by costs or an adjournment. O. Reg. 72/92, s. 1.

2. The Regulation is amended by adding the following rule:

9a.—(1) Where a party dies after the commencement of a proceeding, the Court on motion without notice may by order substitute the deceased party's legal representative as a party in his or her place.

(2) Where it appears to the Court that there is no legal representative of the deceased party, the Court, on motion without notice to any person other than the person to be appointed, may by order appoint a person to act as the deceased party's representative in the proceeding. O. Reg. 72/92, s. 2.

3. Rule 26b of the Regulation, as made by section 17 of Ontario Regulation 807/84, is amended by adding the following subrule:

(4) Subrules (1) and (2) do not apply to a support deduction order or suspension order under the *Family Support Plan Act*. O. Reg. 72/92, s. 3.

4. Rule 37 of the Regulation is revoked.

5. The Regulation is further amended by adding the following rule:

49a.—(1) In a proceeding where support or a variation of support is claimed, the parties shall file with the Court, with the material for the hearing of a motion for interim support and with the material for the hearing of the application, the support deduction order information form prescribed by the regulations under the *Family Support Plan Act* (Form 16A).

(2) The Court may proceed in the absence of complete information on the information form about the payor's address or income sources. O. Reg. 72/92, s. 5.

6. Part IV of the Regulation, as amended by sections 36 and 38 of Ontario Regulation 807/84, sections 1 and 2 of Ontario Regulation 104/85, section 13 of Ontario Regulation 571/85, sections 5, 6, 7, 8, 9, 12, 13, 14 and 15 of Ontario Regulation 93/86, sections 10, 11, 12 and 13 of Ontario Regulation 388/87 and sections 1, 2, 3, 4, 5, 6, 7 and 8 of Ontario Regulation 327/90, is revoked and the following substituted:

81. An affidavit filed with a domestic contract or paternity agreement under subsection 35 (1) of the *Family Law Act* shall be in Form 37C. O. Reg. 72/92, s. 6, *part*.

82. An order for the payment of money may be enforced by a writ of seizure sale or by garnishment. O. Reg. 72/92, s. 6, *part*.

83.—(1) A request for the enforcement of an order for the payment of money shall be in Form 38.

(2) A statement of arrears under section 11 of the *Family Support Plan Act* shall be in Form 39. O. Reg. 72/92, s. 6, *part*.

84. Upon the filing of a request for a writ of seizure and sale verified by affidavit in Form 40 and a copy of the order to be enforced, the clerk shall issue a writ of seizure and sale in Form 41 directed to a sheriff. O. Reg. 72/92, s. 6, *part*.

85.—(1) A writ of seizure and sale remains in force for six years, but may be renewed before its expiry by the clerk or, where the writ has been filed with a sheriff, by the sheriff for successive periods of six years on the filing of a request for renewal of the writ.

(2) The Court, on motion without notice, may renew a writ of seizure and sale that has expired. O. Reg. 72/92, s. 6, *part*.

86. Where a sheriff makes a seizure under a writ of seizure and sale, the sheriff shall publish a notice of sale at least ten days before the sale, specifying the date, time and place of the sale and giving a description of the property. O. Reg. 72/92, s. 6, *part*.

87. A statutory declaration referred to in section 10.1 of the *Family Support Plan Act* shall be in Form 42. O. Reg. 72/92, s. 6, *part*.

88. The sheriff shall make a report on the execution of a writ of seizure and sale and pay to the clerk on behalf of the recipient any money available for distribution to the recipient. O. Reg. 72/92, s. 6, *part*.

89. Where there are arrears under an order for support or maintenance, a recipient under the order may enforce payment of the arrears and future payments by obtaining a notice of garnishment from the clerk. O. Reg. 72/92, s. 6, *part*.

90. Upon the filing of a request for garnishment verified by affidavit in Form 43 and a copy of the order to be enforce, the clerk shall issue a notice of garnishment in Form 44 or Form 45, as appropriate. O. Reg. 72/92, s. 6, *part*.

91. A notice of garnishment issued by the clerk under section 9 of the *Family Support Plan Act* shall be in Form 46. O. Reg. 72/92, s. 6, *part*.

92.—(1) The notice of garnishment shall be served on the garnishee and the payor in accordance with rule 12 or by sending a copy by ordinary mail addressed to the person to be served.

(2) The request for garnishment filed by the recipient shall be served on the payor with the notice of garnishment.

(3) Where the garnishee is a bank, trust company, loan corporation, credit union, caisse populaire or the Province of Ontario Savings Office, the notice of garnishment shall be served at the branch where the debt is payable unless the notice sets out the number and location of the payor's account, in which case it may be served at any branch. O. Reg. 72/92, s. 6, *part*.

93. A notice of garnishment attaches, from the time of service on the garnishee, every debt payable by the garnishee to the payor,

(a) at the time of service of the notice;

(b) within six years after service of the notice; or

(c) on the fulfilment of a term or condition within six years after service of the notice. O. Reg. 72/92, s. 6, *part*.

94.—(1) A payor or a garnishee may file a dispute in Form 47 or 48 within ten days after being served with the notice of garnishment.

(2) Where a payor or a garnishee files a dispute, the clerk shall forthwith serve it on the other parties by ordinary mail.

(3) If, after being served with a notice of garnishment, the garnishee fails to make any payment or sufficient payment, the clerk shall forthwith serve the person enforcing the order with a confirmation of the failure or insufficiency by ordinary mail. O. Reg. 72/92, s. 6, *part*.

95.—(1) Where a dispute is filed or a garnishee fails to make any payment or sufficient payment and the person enforcing the order, the payor or the garnishee requests a hearing, the clerk shall issue under the seal of the Court a notice of garnishment hearing in Form 49.

(2) The clerk shall forthwith serve notice of the garnishment hearing on each of the parties by ordinary mail.

(3) Where a notice of garnishment hearing is served under subrule (2), the Court shall hear and determine the matter in a summary manner. O. Reg. 72/92, s. 6, *part*.

96. Where money is received by the clerk under a notice of garnishment, whether or not a dispute has been filed in respect of it, the clerk shall, unless the Court orders that the money be held in court, forthwith pay the money,

(a) to the recipient, except any amount that exceeds the priority conferred by subsection 4a (1) of the *Creditors' Relief Act*; and

(b) to the sheriff, in the amount that exceeds the priority conferred by subsection 4a (1) of the *Creditors' Relief Act*. O. Reg. 72/92, s. 6, *part*.

97. Where there has been a material change in the circumstances of the payor or the recipient after a notice of garnishment was issued, the Court may vary or suspend any term of the notice of garnishment. O. Reg. 72/92, s. 6, *part*.

98.—(1) Subrules (2) and (3) apply where a notice or garnishment is issued to enforce a support order, domestic contract or paternity agreement that provides for indexation of periodic payments to account for inflation.

(2) The person enforcing the order, contract or agreement may serve on the garnishee and the payor, by ordinary mail or any other method permitted by rule 12, a statutory declaration in Form 50 setting out the new amount to be paid under the order, contract or agreement as a result of indexation, and may file the declaration with the Court with proof of service.

(3) The garnishee is liable from the date of service on the garnishee to pay the new amount set out in the declaration as if that amount were set out in the notice of garnishment, and rules 95, 96, 97, 99, 100 and 101 apply, with necessary modifications. O. Reg. 72/92, s. 6, *part*.

99. Where the clerk has issued a notice of garnishment at the request of the Director of the Family Support Plan, the garnishee shall make payments under it to the Director as if the Director were the clerk.

100.—(1) Where a garnishee does not pay to the clerk the amount required to be paid under the notice of garnishment from the time it was served on the garnishee, the Court may order the garnishee to pay that amount.

(2) An order under subrule (1) may be enforced against the garnishee by a notice of garnishment or writ of seizure and sale. O. Reg. 72/92, s. 6, *part*.

101. Payment of a debt by a garnishee in accordance with a notice of garnishment is, to the extent of the payment, a valid discharge of the debt. O. Reg. 72/92, s. 6, *part*.

102. When all amounts owing or accruing under an order that is enforced by garnishment have been paid, the person enforcing the order shall forthwith serve by ordinary mail or any other method permitted by rule 12 a notice of termination of garnishment on the garnishee and on the clerk. O. Reg. 72/92, s. 6, *part*.

103. A warrant of committal shall be in Form 51. O. Reg. 72/92, s. 6, *part*.

104. A warrant under subsection 43 (1) or 59 (2) (absconding respondent) of the *Family Law Act* or subsection 11 (3) or 13 (1) (absconding payor) of the *Family Support Plan Act* shall be in Form 3 and, where the warrant contains a provision for release on completion of a promise to appear, the promise to appear shall be in Form 3A. O. Reg. 72/92, s. 6, *part*.

105. A notice of default issued by a clerk to a payor under subsection 11 (2) of the *Family Support Plan Act* shall be in Form 52. O. Reg. 72/92, s. 6, *part*.

106.—(1) A recognizance entered into under an order made under subsection 46 (1) of the *Family Law Act* shall be in Form 53 and shall be entered into before the clerk or such other person as the Court directs.

(2) Where a party is in breach of a condition of the recognizance, the Court, on motion by an opposite party or the Attorney General, may order that a writ of execution be issued to enforce the recognizance. O. Reg. 72/92, s. 6, *part*.

107. A bond under section 35 (order restraining harassment) or 37 (prevention of unlawful removal of child) of the *Children's Law Reform Act* shall be in Form 54. O. Reg. 72/92, s. 6, *part*.

108. This Part, as it read on the 31st day of December, 1984, continues to apply to attachment orders made and writs of execution issued before the 1st day of January, 1985. O. Reg. 72/92, s. 6, *part*.

109. Subject to subsection 69 (3) of the *Child and Family Services Act*, where an appeal is taken against an order of the Court, the order may be enforced pending the hearing of the appeal, except where otherwise ordered by the Court or by the appellate court. O. Reg. 72/92, s. 6, *part*.

110. A document that relates to the enforcement of a support order and that is served, filed or issued before the 1st day of January, 1993 is not incorrect for the reason that it uses "creditor" or "debtor" instead of "recipient" or "payor". O. Reg. 72/92, s. 6, *part*.

AN ORDER has been filed with this court requiring the payor to pay money to the recipient. The recipient claims that you owe or will owe a debt to the payor. The recipient has had this notice of garnishment directed to you as garnishee in order to seize any debt that you owe or will owe to the payor.

(check off one or both boxes below, as appropriate)

☐ The recipient claims that you owe or will owe the payor a lump sum.
YOU ARE COMMANDED TO PAY to the clerk of the court;
a) within ten days after service of this notice upon you, all debts owing by you to the payor, and
b) within ten days after the debt becomes payable, all debts due from you to the payor for a period of six years after service of this notice upon you.
The total amount of all payments is not to exceed: *(insert total amount claimed by recipient)* $

☐ The recipient claims that you owe or will owe the payor a salary, a pension or other periodic debt.
YOU ARE COMMANDED TO DEDUCT, for a period of six years after service of this notice upon you, from all wages, pension payments or any other periodic debt payments due from you to the payor:
a) to meet the periodic payments of the order filed with this court, the sum of $ each *(month, week, etc.)* beginning on *(date)* , 19 , and continuing until further order of the court, and
b) to pay off any lump sum, arrears, court costs and interest, the further sum of $ each *(month, week, etc.)* beginning on *(date)* , 19 , and continuing until *(date)* , 19 , or until further order of the court,
and to pay these amounts to the clerk of the court within ten days after the wages, pension payments or other periodic debt becomes payable by you to the payor.

If a) you dispute, for whatever reason, the claim that you will owe a debt to the payor, or
b) you owe or will owe the payor less than the amount that he/she is alleged to owe to the recipient, or
c) you have a defence or a right of set-off against the payor,
you must, within ten days after service of this notice on you, pay to the clerk of the court whatever amount that you admit to be owing or accruing due to the payor, and you must, at the same time, serve on the recipient and file with the clerk of the court a dispute in Form 48 accompanying this notice. IF YOU FAIL TO OBEY THIS NOTICE, THE COURT MAY MAKE AND ENFORCE AN ORDER AGAINST YOU for the amount unpaid and the court costs incurred by the recipient.

IF YOU MAKE PAYMENT TO ANYONE OTHER THAN THE CLERK OF THE COURT AFTER SERVICE OF THIS NOTICE ON YOU, YOU MAY BE LIABLE TO PAY AGAIN.

TO ALL PARTIES:
The payments owing are for support. Accordingly, where the garnishee is the payor's employer, section 7 of Ontario's *Wages Act* states that fifty per cent of any wages due to an employee is EXEMPT from garnishment or seizure. This exempt portion may be increased or decreased by an order of the court. If a copy of such an order of the court is attached to this notice, the garnishee must comply with the percentage of the exemption stated in that order.

The *Creditors' Relief Act* states that support orders have priority over other judgment debts, regardless of when an enforcement process is issued or served. Where the support order is for a lump sum payment, the priority is for the amount of the lump sum. Where the order is for periodic payments, the priority is for an amount up to one year's support at the rate current when this notice of garnishment is served on you. Support orders rank equally with one another.

If the payor disputes for any reason that this notice of garnishment is correct or that support is payable, he or she must, within ten days after service of this notice, serve on the recipient a dispute in Form 47 accompanying this notice and file it, with proof of service, with the clerk of the court. If the dispute form is missing, the payor should contact his or her own lawyer or the court office.

Where the garnishee or the payor files a dispute, or where the garnishee does not make the payment required by this notice, the clerk of the court may issue a notice of garnishment hearing in Form 49 for a hearing before the court to determine the rights of the parties.

Where there is a material change in the circumstances of the payor or of the recipient, a motion may be made to the court to vary or to suspend any term of the garnishment.

Where the order is for periodic payments, the priority is for an amount up to one year's support at the rate current when this notice of garnishment is served on you. Support orders rank equally with one another.

If the payor disputes for any reason that this notice of garnishment is correct or that support is payable, he or she must, within ten days after service of this notice, serve on the recipient a dispute in Form 47 accompanying this notice and file it, with proof of service, with the clerk of the court. If the dispute form is missing, the payor should contact his or her own lawyer or the court office.

Where the garnishee or the payor files a dispute, or where the garnishee does not make the payment required by this notice, the clerk of the court may issue a notice of garnishment hearing in Form 49 for a hearing before the court to determine the rights of the parties.

Where there is a material change in the circumstances of the payor or of the recipient, a motion may be made to the court to vary or to suspend any term of the garnishment.

Statutory declaration indexing garnishment

(8) Subrules (9) and (10) apply where a notice of garnishment is issued to enforce a support order, domestic contract or paternity agreement that provides for indexation of periodic payments to account for inflation.

(9) The person enforcing the order, contract or agreement may serve on the garnishee and the payor, by ordinary mail, personal service or an alternative to personal service under rule 16.03, a statutory declaration (Form 71BC) setting out the new amount to be paid under the order, contract or agreement as a result of indexation, and may file the declaration with the court with proof of service.

(10) The garnishee is liable from the date of service on the garnishee to pay the new amount set out in the declaration as if that amount were set out in the notice of garnishment, and subrules 60.08 (15) to (19) (dispute, enforcement, payment) apply, with necessary modifications. O. Reg. 73/92, s. 6.

7. The following Forms are added:

Saisie-arrêt pratiquée par le directeur du Régime des obligations alimentaires envers la famille

(7) L'avis de saisie-arrêt délivré à la demande du directeur du Régime des obligations alimentaires envers la famille est rédigé selon la formule 71BB et les paragraphes 60.08 (11) à (19) (obligation du tiers saisi, paiement, contestation, exécution) s'appliquent, avec les adaptations nécessaires, comme si le directeur était un shérif.
